

## Checklist and Quick Tips

### Checklist

- Connect with a missions opportunity - Whether you want to connect with a partner church for a long-term relationship, or participate once within the long-term Virginia Baptist relationship, we can connect you with a meaningful partnership project.
- Confirm your project dates with the Glocal Missions Team and the missions partner.
- Reserve air travel, if needed, including travel insurance. The Glocal Missions Team can assist you with this.
- The Glocal Missions Team will also send you the volunteer forms for the team members to fill out. These are also available as downloads on this website.
- Arrange for a team orientation through the Glocal Missions Team.
- Plan for the spiritual preparation of your team.
- Make sure the team members have applied for passports, if they do not have them already.
- Check to see if your destination requires a visa.
- Check to see if your destination requires vaccinations.
- Research baggage regulations.
- "Like" the Facebook page "Glocal Missions".

Communicate to your church that the team is an extension of the church's ministry, and that every church member is part of the team.

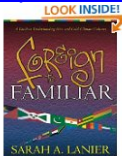

Pray for, and communicate with, your hosts at the destination. Let them know that you are part of their team. You are going to minister with them in what God has given them to do - not to run over top of them.
